Alerts about appointments, received messages, new test results etc.

LEARN ABOUT MAISA'S FUNCTIONALITIES (using Maisa with a web browser)

The screenshot shows the Maisa web application interface. At the top, a navigation bar contains a menu icon (1), icons for Events (2), Messages (3), Test Results (4), and Frequently Asked Questions (5), the Maisa logo, and a Log out button. Below the navigation bar, the main content area is divided into sections. On the left, a 'Welcome!' section (6) displays user information for 'Matti' and 'Venla Susanna', each with a notification icon (2) and a 'Seasonal influenza vaccination' card. The cards include 'Book appointment' and 'Dismiss' buttons. A 'New letter received' notification is also visible. On the right, a 'Your Care Team and Recent Clinicians' section (8) lists 'Lääkäri Helsinki Perusterveydenhuolto' and 'Haaga health centre, team 1', each with a 'Book appointment' button and a 'Dismiss' button. A 'See clinician details and manage' link is provided for the Haaga health centre. At the bottom, an 'Explore More for You' section features 'Research Studies' and 'Your COVID-19 Status' cards.

- 1 Menu**
All the Maisa functionalities and a search field.
- 2 Events**
Manage appointments, view past appointment details.
